- 6. Pick up bent polishing material

Be sure to view [Announcements and Events](#) for more details.

## Announcements and Events

### National TBP Scholarships

Tau Beta Pi is giving out \$2000 scholarships. Information to apply is [here](#). Applications are due 4/1.

### Caterpillar Tech Talk

Kevin Schreder from Caterpillar will be our guest speaker, and his topic of the presentation includes an overview of Caterpillar, career options, and professional advice (i.e., resume building, career fairs). Usually targeting around 50 minutes for the presentation and then another 10 minutes if needed for Q&A.

This is a great opportunity to hear from the employer and what do they see in a candidate when they talk to them at the career fair. Especially online now.

Please put your name on the signup sheet before you attend the session. This will be used to mark your attendance and award you 1 point for this professional event. The signup sheet is attached below.
