Announcements and Events

Grainger Tech Talk (Thursday 1/30 | 7-8pm | Eng Hall 106b1)

2 Professional Credit

The members have an opportunity to earn a maximum of 2 points for professional events by attending 2 sessions of the Tau Beta Pi Engineering futures program. The event is organized by TBP to provide engineering students training in the "soft skills," those non-technical skills necessary for success in the workplace but rarely included in the engineering curriculum. The Engineering Futures Program received national recognition as the winner of the 2007 Excellence in Engineering Education Collaboration Award.

The information about these events can be found in the following link-

<https://www.tbp.org/memb/EF.cfm#:~:text=The%20award%2Dwinning%20Tau%20Beta,rarely%20included%20in%20engineering%20curricula>

To earn 2 professional points, the members must attend two sessions of this EF program (1 point for each session). After attending, the members must write a brief summary of the important takeaways from that event. The members can submit their summary using the following link -

https://drive.google.com/drive/folders/1CpNqFE9m2dBoN1Y3MjMWA_G9qxRRcqMg?usp=sharing

In your summary, please make sure to put your name, netID, your major, and if you are an undergrad or a graduate student. These summaries will be available to all of our members to read and learn from your experience. This is a great way to contribute to our organization while learning something new and earning

few more professional points. The summary can also be in bullet points. Please note that the members can only get a maximum of 2 points out of these EF programs. Attending all the events is highly recommended though, as it would help you to sharpen your soft skills for future interactions with employers.

Coffee Discussion with the Advisors of TBP

1 Professional Point

This professional event is a great opportunity to get to know our advisors! These people have been with the organization for a long time now and can be a great resource to help you guys to make the best out of your membership at TBP. The event would start with the introduction of our advisors, followed by their experience and recommendations, and the meeting will be concluded with the Q/A session.

The meeting details are as follows-

Topic: Professional Event 2, Spring 2021: TBP

Time: Mar 16, 2021, 06:00 PM Central Time (the US and Canada)

National TBP Scholarships

Tau Beta Pi is giving out \$2000 scholarships. Information to apply is [here](#). Applications are due 4/1.

Pi Day

Service/Social Points

We are hosting a pie baking event for Pi Day. You will get 1 service point for donating/participating and 1 social point for participating in the happy hour on 3/14. The form to participate is [here](#).

Workshop Interest Form

Service Points

Anyone interested in running workshops should fill out this [form](#). If you would also like to attend workshops, some future topics will be professional advice, research, and technical skills like CAD.

Please join our Facebook page if you aren't already a member!
